*The event is intended to be an important test for all National Teams competing in the **ICF World Championship in Syracuse next September**. All players will, then, be able to acclimatize whether condition in Sicily before entering the ICF World event in Syracuse.*

1. *The event will be held a few (55) kilometres away from the World Championship venue, and is hence subject to the same weather conditions.*
2. *The event will be held on sea – within marine water producing the same effects salinity and buoyancy as expected in Syracuse.*
3. *The logistics of the event are aided by the abundant hospitality facilities involved in and around the area, providing quality accommodation and dining at economical prices.*
4. *We will limit the registrations to a maximum of 30 teams in order to ensure a sustainable and competitive setup with regard to number / frequency of games and involvement of athletes.*

From 22nd to 28th August, we shall further be offering the use of the Jomar Club Catania to all teams which may be asking for training before the World Championship in Syracuse.
