RACE BULLETIN

LOCATION: Sestri Levante

Sestri Levante is a town of 18,000 inhabitants located in the province of Genoa, at the southeastern end of the Gulf of Tigullio. Known as the 'City of Two Seas', it overlooks two bays thanks to an isthmus that connects the mainland to the rocky promontory of the island. The two main bays are the Baia delle Favole, larger and facing the other localities of Tigullio, and the Baia del Silenzio, located in the historic center and protected by the Punta Manara promontory.

HOW TO GET TO SESTRI LEVANTE

1 - IN AUTO

Sestri Levante is easily accessible by car via the A12 Genoa - Livorno highway, exiting at the Sestri Levante toll station.

The town center is a short distance from the highway exit, just over one kilometer away.

2 - BY TRAIN

The Sestri Levante train station is located about 400 meters from the Baia delle Favole and one kilometer from the Baia del Silenzio.

It is well connected, with stops for most regional and intercity trains.

3 - BY PLANE

The nearest airport is in Genoa, 60 km away (a 45-minute drive).

The Pisa airport is 125 km away and can be reached in 1 hour and 30 minutes.

Both airports offer connections to Sestri Levante via train transport.
